Popular game animals in Region 7 include deer, elk, moose, black bears, mountain goats, and waterfowl. The region's vast landscape presents both opportunities and challenges for hunters. Due to the remote nature of many areas, hunters need to be well-prepared and familiar with specific regulations to ensure a safe and successful hunting experience.

Key Components of BC Hunting Regulations in Region 7

Understanding the core elements of hunting regulations is crucial for legal and ethical hunting. Here are the main components:

Licensing and Permits in Region 7

Obtaining the Correct Licenses

To hunt legally in Region 7, hunters must secure the appropriate licenses and permits:

1. General Hunting License: A standard license required for most game species.
2. Species-Specific Tags: Additional tags for animals like moose, elk, or mountain goats. These are limited and often require application during specific draw periods.
