Subhash Kashyap, an eminent constitutional expert and former Secretary-General of the Lok Sabha, has extensively documented and explained the nuances of India's political framework, making his works vital for understanding the constitutional and political ethos of the country. In this article, we will explore the key insights from Subhash Kashyap's perspectives on our political system, offering a comprehensive guide for UPSC aspirants and anyone interested in the dynamics of Indian governance. From the foundational principles of the Constitution to the practical functioning of the institutions, this discussion will help unravel the layers of India's political system in a clear and engaging manner.

Understanding Our Political System by Subhash Kashyap UPSC

Subhash Kashyap's works emphasize that the Indian political system is a unique blend of parliamentary democracy, federalism, and constitutionalism. He highlights that India's democracy is not just about elections but also about the continuous functioning of democratic institutions and the active participation of its citizens. At its core, the Indian political system is designed to balance power between the Union and the States, safeguard fundamental rights, and promote social justice. Kashyap's

analysis often revolves around how these principles are embedded in the Constitution and how they operate in day-to-day governance.

The Parliamentary Framework

One of the pillars of Indian democracy, as Kashyap elaborates, is its parliamentary system modeled after the British Westminster system but adapted to India's socio-political context. The Lok Sabha (House of the People) and the Rajya Sabha (Council of States) together form the Parliament, responsible for lawmaking and overseeing the executive. Kashyap explains the delicate balance of power that exists between the executive (Prime Minister and Council of Ministers) and the legislature. The executive is accountable to the Lok Sabha, ensuring that the government remains responsible and answerable to the people's representatives.

Federalism in India

Another important aspect discussed in Subhash Kashyap's work is Indian federalism — a concept that often confuses many UPSC aspirants. India is described as a "Union of States" with a strong central government, but it also provides significant powers to the states. Kashyap delineates the division of legislative, administrative, and financial powers between the Centre and the States through the Three Lists — Union List, State List, and Concurrent List. This division is crucial to understanding how governance functions in India's vast and diverse landscape.

Key Features of Our Political System by Subhash Kashyap UPSC

To grasp the essence of India's political system, Kashyap outlines several key features that define its character and functioning.

Constitutional Supremacy

Unlike in some countries where the legislature is sovereign, India's Constitution is supreme. Subhash Kashyap emphasizes that all laws and actions of the government must conform to the Constitution. This supremacy ensures that democratic values and fundamental rights are protected against arbitrary exercises of power.

Secularism and Social Justice

India's political system is deeply rooted in secularism, meaning the state treats all religions equally. Kashyap points out that secularism, coupled with the commitment to social justice, guides policies aimed at uplifting marginalized communities and ensuring equality.

Independent Judiciary

The judiciary acts as the guardian of the Constitution. Kashyap highlights the role of the Supreme Court and High Courts in interpreting the Constitution, protecting fundamental rights, and resolving disputes between the Centre and States, thus maintaining constitutional balance.

One of the more complex areas in UPSC polity is the procedure and significance of constitutional amendments. Kashyap offers lucid explanations regarding Article 368 and the delicate balance between rigidity and flexibility in the Indian Constitution.
