Enhancing the reading experience of Dhaka University Mba Admission Circular 2020 is essential for maintaining focus, improving comprehension, and reducing fatigue during long study or reading sessions. Digital formats provide numerous tools and customization options that allow readers to tailor their experience according to personal preferences and learning styles.

One of the most effective ways to enhance comfort is by using night mode or adjusting background colors. Night mode reduces blue light exposure and lowers eye strain, especially during evening or low-light reading sessions. Alternatively, sepia or soft gray backgrounds can provide a paper-like appearance that feels more natural to the eyes during extended use.

Font size, font style, and line spacing adjustments also play a significant role in reading comfort. Increasing font size and spacing improves readability and reduces visual stress, particularly on smaller screens. Many reading applications allow users to customize these settings, ensuring that Dhaka University Mba Admission Circular 2020 remains comfortable to read across different devices and environments.

Highlighting and annotating key sections transforms passive reading into an active learning process. By marking important concepts, definitions, or arguments, readers engage more deeply with the content. Annotations allow users to add personal insights, questions, or reminders directly alongside the text, making future reviews more efficient and meaningful.

Taking regular breaks is another important factor in enhancing reading experience. Prolonged screen exposure can lead to eye strain and reduced concentration. Following structured reading intervals—such as reading for a set period and then resting—helps maintain mental clarity and physical comfort. Digital tools that track reading time or offer reminders can support healthier reading habits.
