Understanding the Concept of an Armor Bearer

Before diving into the specifics of the volumes, it's important to grasp what an armor bearer is in a biblical and modern context. The term "armor bearer" originates from the Old Testament, where certain individuals were appointed to carry the armor and weapons of kings or leaders—David's

armor bearer being the most notable example. These servants were not just attendants; they were trusted companions who stood ready to protect, support, and serve their leaders, often in dangerous and demanding circumstances.

The Role of an Armor Bearer in Today's Faith Walk

Nance Terry's books emphasize that while the physical aspect of carrying armor may no longer apply, the spiritual role remains vital. An armor bearer in today's church or ministry is someone who supports their spiritual leader by interceding in prayer, offering counsel, and standing firm in faith during times of spiritual warfare. They are behind-the-scenes warriors who enable leaders to fulfill their divine assignments without distraction. This role requires humility, dedication, and spiritual maturity.
