The Nature and Scope of Political Theory

At the outset, Mahajan emphasizes the nature of political theory as both a normative and empirical study. He explains that political theory is concerned not only with describing political phenomena but also with evaluating political ideals and values. This dual focus helps students appreciate politics as both an art and a science. Mahajan’s text delves into questions such as: What is the purpose of the state? Core Themes and Philosophical Foundations

One of the distinguishing features of political theory by V.D. Mahajan is its comprehensive treatment of classical political philosophy alongside modern theories. Optimizing PDFs for readability

Readability plays a crucial role in how users engage with long documents. Adjusting zoom levels, page layout modes, and display settings can significantly improve comfort.
