and social issues. Early in her career, Churchill was involved in political activism, which deeply informed her artistic pursuits. Transition into Political and Experimental Theatre

Churchill’s move toward experimental theatre was catalyzed by her desire to break free from traditional narrative forms. Her collaboration with the Joint Stock Theatre Company in the 1970s marked a turning point, allowing her to experiment with non-linear storytelling, fragmented dialogues, and symbolic staging. This period was characterized by a willingness to challenge the audience's expectations and to harness theatre as a tool for activism.
