This natural irrigation system allowed Egyptians to grow crops such as wheat and barley, supporting a large population and complex society.

Timeline and Dynasties

Spanning over 3,000 years, Ancient Egypt's history is divided into several periods, including the Old Kingdom, Middle Kingdom, and New Kingdom. Each period was marked by different dynasties, with famous pharaohs such as Khufu, Hatshepsut, and Ramses II leaving their mark on history. Narmer, set the stage for this incredible civilization.
