These remnants can include: - Physical debris: Trash, ruins, artifacts left behind after an event or over time. - Environmental remnants: Deforestation signs, pollution residues, or geological features indicating past natural processes. - Cultural remnants: Ruins of ancient structures, artifacts, or traditions that survive into modern times.

Figurative and Literary Connotations

The story follows Stevens, an English butler, who reflects on his past service at Darlington Hall, confronting the emotional and moral residues of his unwavering loyalty to a

bygone aristocratic order.
