TOEFL Test Dates in 2019: How Often and When?

In 2019, TOEFL test dates were generally available on most Saturdays and some Thursdays, with occasional weekday options depending on the test center. This frequent availability allowed students to plan their exams months in advance or even on short notice if seats were open. Some key points to remember about TOEFL test dates from 2019 include:

1. **Year-round availability:** Unlike some standardized tests offered only a few times a year, TOEFL could be taken almost every week in many locations.
2. **Early registration recommended:** Test centers could fill up quickly, especially during peak application seasons (spring and fall), so reserving your spot early was advised.
3. **Rescheduling options:** If you needed to change your test date, ETS allowed rescheduling up to four days before the exam, usually for a fee.

For the most accurate test date listings, graduateshotline com suggested checking the official TOEFL website regularly, as test availability could vary by country and city.

How Much Did the TOEFL Cost in 2019?

The cost of taking the TOEFL exam is an important consideration for many students, especially those funding their education independently. In 2019, the TOEFL fee generally ranged between $180 and $250, depending on the test location. Graduateshotline com highlighted these regional differences to help students budget accordingly. Here's a breakdown of what influenced TOEFL test fees in 2019:

1. **Country and currency exchange rates:** Fees in the U.S. typically hovered around $180, but in other countries, they could be higher due to currency fluctuations and local administrative costs.
2. **Additional services:** Options like sending extra score reports to institutions or rescheduling the test would incur extra fees.
3. **Late registration penalties:** Registering late often meant paying a higher fee.

Graduateshotline com also encouraged students to factor in potential costs like preparation materials and travel to the test center when estimating the total TOEFL expenditure.

Knowing the test dates and fees is just the start; understanding the registration process is equally important. In 2019, graduateshotline com provided detailed guidance on how to register smoothly for the TOEFL exam.

Step-by-Step TOEFL Registration Process

The registration process for TOEFL is primarily online, through the official ETS website. Here's a simplified overview:

1. **Create an ETS account:** This is where you'll manage your registration, view scores, and send reports.
2. **Choose your test date and location:** Select the test center closest to you and pick a date from the available options.
3. **Pay the registration fee:** Payments can be made via credit card, PayPal, or electronic check, depending on your location.
4. **Receive confirmation:** After payment, you'll get an email confirming your registration and test details.

Graduateshotline com emphasized the importance of double-checking all personal information during registration to avoid complications on test day.

Tips for Selecting the Best TOEFL Test Date

Choosing the right test date can impact your performance and application timelines. Here are some practical tips inspired by graduateshotline com's advice:

1. **Plan ahead:** Take the TOEFL at least two to three months before your university application deadlines.
2. **Allow time for retakes:** If you're not confident about your first score, leaving room to retake the test can be beneficial.
3. **Consider your preparation level:** Don't rush to the earliest test date if you haven't adequately prepared.
4. **Check for holidays and busy periods:** Avoid dates that clash with personal commitments or public holidays that might affect test center availability.

Additional Fees Related to TOEFL in 2019

Besides the basic registration fee, several other costs may apply to TOEFL candidates. Graduateshotline com outlined these to help students budget comprehensively.

Score Report Fees

ETS allows you to send your TOEFL scores to up to four institutions for free. However, if you want to send scores to more universities, each additional report usually costs around $20. This is a valuable consideration for students applying to multiple schools.

Rescheduling and Cancellation Charges

Changing your test date or canceling the registration can be necessary sometimes. In 2019:

1. **Rescheduling:** Typically incurred a fee of $60, and had to be done at least four days before the test date.
2. **Cancellation and refund:** You could cancel up to four days before the test and receive a partial refund (usually 50%).

Planning carefully and making decisions early can help avoid these extra expenses.

Why Keeping Track of TOEFL Test Dates and Fees Matters

Many students underestimate the importance of monitoring test dates and fee changes. Graduateshotline com consistently reminded aspirants that TOEFL schedules and prices could be updated based on regional circumstances or ETS policy changes. Staying informed helps you:
