These adjustments reduce eye strain and accommodate individual preferences or visual needs. Night mode, sepia backgrounds, and brightness controls make long reading sessions more comfortable and sustainable.

Digital copies also reduce physical storage requirements. Instead of shelves filled with books, eBooks are stored digitally, freeing up space at home or in the office. This minimal footprint is particularly beneficial for users with limited space or those who prefer a clutter-free environment.

From an environmental perspective, eBooks are eco-friendly. By reducing the need for paper, printing, and physical transportation, digital reading contributes to lower

resource consumption. Choosing eBooks like Phr Sphr Professional In Human Resources Certification All In One Exam Guide supports sustainable reading habits without sacrificing access to knowledge.

### **Highlighting and Notes**

Highlighting and note-taking tools are among the most valuable features of eBooks. Built-in annotation tools allow readers to interact directly with Phr Sphr Professional In Human Resources Certification All In One Exam Guide, turning reading into an active and engaging process. Highlighting important sections helps identify key ideas, definitions, or arguments that require further review.

Digital notes can be added alongside highlighted text, enabling readers to record thoughts, questions, or summaries in context. Unlike handwritten notes, digital annotations are searchable and editable, enhancing long-term usability.

Many eBook platforms allow users to export notes and highlights. Exported annotations can be used for revision, research, presentations, or collaborative study. This feature is particularly useful for students and professionals who rely on organized summaries and references.

Color-coded highlights add another layer of organization. Different colors can represent themes, importance levels, or types of information. For example, one color may be used for definitions, another for examples, and another for questions. This visual system improves clarity and speeds up review sessions.
