Artistic Style and Visual Design

Use of Shapes and Color

At the core of Mouse Shapes is Walsh's masterful use of geometric forms. The mice are depicted primarily through circles, ovals, and triangles, which serve as the building blocks for their bodies, ears, and tails. This minimalistic approach makes the characters instantly recognizable and accessible for young children. The color palette is vibrant yet simple, often focusing on primary colors—reds, blues, yellows—that draw attention without overwhelming the senses. The backgrounds are usually plain or subtly textured, emphasizing the shapes and the mice themselves.

Illustration Techniques

This approach subtly encourages children to notice and identify shapes in their environment.

The Narrative and Educational Themes

Storyline Overview

Mouse Shapes follows a simple yet clever storyline: a group of mice attempts to find the perfect shape for a new home. Each mouse suggests a different shape—circle, square, triangle—and the story explores how each shape affects their experience.
