His work is characterized by a commitment to social justice, often highlighting the struggles of marginalized groups under apartheid. Fugard's own experiences—growing up in a racially segregated society and witnessing systemic oppression—shaped his artistic outlook.

The Political Climate of South Africa in the 1970s

Its production was clandestine at times, and it faced censorship and censorship threats.

The Genesis of The Island

Fugard co-created **The Island** with actor John Kani and director Peter Brook.
