FIFA 18 Manual Controls FIFACareers Reddit: Mastering the Game Like a Pro **fifa 18 manual controls fifacareers reddit** is a phrase that has become quite popular among dedicated FIFA players looking to elevate their gameplay beyond the basic assisted controls. If you've ever scrolled through the FIFACareers subreddit, you'll notice a passionate community eager to discuss strategies, share tips, and help newcomers transition into the world of manual controls in FIFA 18. This comprehensive guide will walk you through everything you need to know about manual controls in FIFA 18, why the Reddit community values them, and how you can harness their power in your career mode or online matches.

Why Choose Manual Controls in FIFA 18?

When you first start playing FIFA, the default assisted controls make the game accessible and fun. However, as you progress and face tougher opponents, assisted controls can limit your potential. Manual controls give you full command over your player's movements and actions, letting you perform precise passes, shots, and skill moves without the game's AI interference. The FIFACareers subreddit is filled with stories of players who switched to manual controls and saw a dramatic improvement in their tactical play and overall satisfaction. Manual controls demand more skill and practice, but they offer unparalleled freedom and creativity on the pitch.

Understanding Manual Controls

Manual controls in FIFA 18 refer to settings where the player manually directs nearly every action — from passing and shooting to goalkeeper movement and player switching. Unlike semi-assisted or assisted controls where the game helps you aim passes or shots, manual mode requires you to take full responsibility for your decisions. To break it down:

- **Passing:** You choose the exact direction and power without any auto-aim assistance.
- **Shooting:** You control the power and direction, giving you the ability to finesse shots or hit powerful strikes precisely where you want.
- **Goalkeeper Control:** You can manually move the keeper to cover angles or rush out.
- **Player Switching:** You have full control over which player you select at any moment. This level of control appeals to players who want to master the technical elements of the game.

Best practices for collaborative use

To ensure smooth collaboration, users should define roles and expectations in advance.
