In addition to public domain works, some authors and publishers offer free eBooks as promotional material. These may include sample chapters, introductory guides, or full books for a limited time. Signing up for newsletters or following publishers on official

platforms can help you discover legitimate free offers without compromising quality or legality.

Legal and safety considerations

When downloading free eBooks, it is essential to ensure that the source is legal and safe. Using trusted eBook platforms protects both your device and the creators of *The Curious Incident Of The Dog In The Night Time* content.

Not all devices support advanced multimedia features, so compatibility should be checked before purchasing or downloading. Additionally, interactive content may consume more storage space and battery power compared to standard eBooks.
