Using structured headings and readable text

Clear heading hierarchy improves both user experience and SEO. Search engines use headings to understand content structure and topic relevance. Using logical headings and subheadings in Investments Bodie Kane Marcus Mcgraw Hill Irwin helps define sections and improves scannability.

Readable text formatting also matters. Proper paragraph spacing, bullet points, and consistent typography make PDFs easier for both readers and search engines to process.

Internal and external linking in PDFs

Linking PDFs from relevant web pages also improves their discoverability. When PDFs are well-integrated into a website's internal linking structure, search engines are more likely to crawl and rank them effectively.
