Tips for Worship Leaders and Musicians

Mastering "Every Praise to Our God" goes beyond just playing the right chords and singing the lyrics. Here are a few tips to enhance your worship leading or personal practice:

1. Focus on Dynamics

Dynamic variation—shifts in loudness and softness—can add emotional depth. For instance, start the verses softly and build up to a powerful chorus. This helps engage the congregation or listeners and mirrors the song's message of joyful praise.

2. Use a Capo to Match Vocal Range

If the key of A major doesn't suit your vocal range, consider using a capo on the guitar and transposing the chords accordingly. This flexibility ensures comfortable singing and better expression.

3. Incorporate Instrumental Intros and Outros

Adding an instrumental introduction or ending with the main chord progression invites worshippers to

prepare their hearts and provides a smooth transition between songs in a set.

4. Encourage Congregational Participation

Because the lyrics are repetitive and easy to remember, invite the congregation to join in. This collective participation can significantly enhance the worship atmosphere.

Musical Composition and Chord Structure

From a musical perspective, the chords used in every praise to our god are primarily built around common keys such as E major or D major, depending on the vocal range of the performers. The chord progression is typically straightforward, often revolving around the I-IV-V chord pattern.
